Experience

Photoshop Editor at Yashmak Furniture (2016-2020).

"I used to work on designing and customizing home furniture, creating and managing sponsored advertisements, and developing promotional materials such as business cards. I also worked on adjusting furniture designs to match the client's preferences and unique style."

Sales Engineer at Meuble El Chark Furniture (2020-2022).

"I used to work on fulfilling client needs in home furniture, customizing designs based on customer preferences, and providing follow-up support after sales. I also worked on designing advertisements for the branch."

Senior Sales Engineer at Meuble El Chark Furniture (2022 - 2023).

I used to work on achieving targeted sales, fulfilling customer needs, managing the branch, leading the sales team, and maintaining client follow-up."

Sales Engineer at Macwood Office Furniture (2023 - until now).

"I am responsible for fulfilling customer needs and ensuring ongoing support, furnishing companies, restaurants, and cafés, while also creating and adapting designs tailored to client preferences

Freelancer - Graphic Designer (2017- until now)
