

Ahmed Abd El Fatah Ali Hassan

CIVIL DRAFTSMAN

+20 01032236114 | ahmedjeka93@gmail.com | <http://linkedin.com/in/ahmedabdelfatahali9>

Summary

Professional With Robust Background In BIM Modeling, Prepared To Deliver High-Quality Project Outcomes. Extensive Experience In Developing Detailed 3D Models And Collaborating Closely With Architects And Engineers. Known For Reliable Approach, Adaptability To Changing Project Requirements, And Proficiency In Industry-Standard BIM Tools.

EXPERIENCES

Civil Draftsman Mar 2024 - Current

Smart Engineering Consultant, Giza,Egypt

Developed comprehensive documentation packages that included detailed drawings, schedules, and reports generated from fully-coordinated BIM models.
Collaborated with multidisciplinary teams on large-scale projects, contributing to successful project outcomes through effective communication of BIM-related issues.

Wet & Dry Utility : Infrastructure Networks System Using Civil 3D Shop Drawing & Model
Medium Voltage.
Low Voltage.
Telecommunication.
Street Lighting & Street Lighting Landscape.
EV Charging.

Project : (KAP) - King Abdelaziz Park (Puplic Park) Construction Works, Al-Riyadh, KSA.
Project : OUDOR, KSA.
Project : TNJIIB, KSA.
Project : SEDRA 1B (KIFFAH), KSA.
Project : AL-TAMIMI, KSA.

Civil Draftsman Jan 2023 - Feb 2024

Hydro Consultant Office For Environmental &Infra, Cairo,Egypt

Preparing Shop Drawing And Design Infrastructure Electrical Networks.
Medium Voltage
Low Voltage
Street Lighting
Telecom And Light Current
(In Addition, Complete All The Required Section Details)
Project : Mostakbl City
Client : Concord Contractor
Project : El Alamein (Design)
Client : Armed Forces Engineering Authority
Project : Mostakbl Misr (300) Thousand Feddan
Client : El Nuby Group Contractor
Project : Aswan (147) Thousand Feddan.(Design)
Client : Concord Contractor
Project : Marina Yacht (Design)
Client : Armed Forces Engineering Authority

Preparing Shop Drawing Overhead Transmission Lines Electrical Networks.
Medium Voltage.
Low Voltage.
Project : Mostakbl Misr (400) Thousand Feddan.
Client : Concord Construction , Siac Construction , Enovo Construction , Hassan Allam Construction ,
El Zahy Group Construction.

Preparing Shop Drawing And Design Infrastructure Electrical Networks.

Preparing Shop Drawing Internal Electrical Networks.
Jan 2023 - Feb 2024
Lighting.
Power.
Light Current.
Pump Station Cable Routing.

Civil DraftsmanMar 2022 - Dec 2022

Connect Professiona Service, New Administrative Capital

Project : 110 The Military Entity In The New Capital.
As Built For All Buildings OF The Administrative Capital.
Preparing Bill of Quantity BOQ For All Buildings OF The Administrative Capital.

Electrical DraftsmanApr 2019 - Feb 2022

El OFOQ For Contracting, Cairo,Egypt

Preparing Shop Drawing Internal Electrical Networks.
Lighting.
Power.
Light Current.
Cable Routing.
Project : New Egyptian Museum.
Project : Mall OF Arabia Extension.
Project : Aeon - Phase.

Education

Bachelor's Degree In Accounting2016 - 2020

Ain Shams, Cairo, Egypt

Languages

Arabic	Native Speaker
English	Good

Skills

AutoCAD (Professional expert with leadership in computer-aided design (CAD) and extensive knowledge of specialized features).

Revit (Proficient in Revit and extensive knowledge of specialized features).

Civil 3d (Proficient in Civil 3d and extensive knowledge of specialized features).

Design And WSD For Pump-Stations Layout (Lighting And Cable Routing) And PS Buildings.

Courses

Autocade: Faculty of Engineering, Cairo University

Revit: From Cadmaster

Civil 3d: From Niqat

BIM Diploma : From Niqat
