▼ Work Experience

- **Egyptian Industrial Solutions: Sales Engineer** (Jan 2015 – Sep 2017)
 - Sold automation components and low voltage panels to factories and machine builders.
 - Provided technical support and handled client requirements.
- **ACS Schneider Panel Builder: Sales Engineer** (Oct 2017– Mar 2019)
 - Sold low voltage panels and Schneider components to contractors, factories, and distributors.
 - Provided tailored solutions and technical support.
- **Golden Brothers (MV & LV): Senior Sales Engineer** (Apr 2019 – Dec 2024)
 - Sold locally manufactured low voltage panels and electrical supplies (cables, circuit breakers, etc.) to contractors, real estate developers, and factories.
 - Proactively pursued and secured medium voltage switchgear projects, including RMUs, transformers, kiosks, and distribution units. .
 - Executed these projects as subcontractors under major certified companies due to licensing restrictions, managing the work on their behalf.
- **Electro George (Siemens Panel Builder): Senior Sales Engineer** (Feb 2025 – Present)
 - Sold Siemens-certified MV/LV panels, RMUs, and switchgears to top-tier contractors and major factories (e.g., Toshiba El Araby).
 - Handled technical-commercial negotiations and built strong relationships with key industrial and contracting clients.
